This application is not approved until a business license is issued. Based on the proposed type of business and/or proposed business location, prior to business license application consideration Planning and Zoning Commission and/or Board of Aldermen approval may be required. *A Use Permit from the Eureka Fire Protection District may also be required. Contact the District at 636-938-5505 for additional information.*

**WORKERS COMPENSATION NOTICE**

Missouri State Statutes require that any City that issues business licenses must require a certification of insurance for Workers Compensation coverage from construction contractors, only. If this law applies to your business, a certificate of insurance must be provided to the City prior to the issuance of your license. Please check the appropriate box as part of the license application process.

- Yes, the business identified on Line No. 1 is a construction contractor and a certificate of insurance will be provided to the City of Eureka.
- No, the business identified on Line No. 1 is not a construction contractor.

**Office Use Only**
