## HOLIDAY SCHEDULE

City offices will be closed on Monday, May 30th in observance of Memorial Day.

## TRASH AND RECYCLING HOLIDAY SCHEDULE

In observance of Memorial Day, Monday, May 30th, all service days will be changed from their scheduled day to the day following. If your service is normally scheduled for Monday it will be picked up on Tuesday of that week, Tuesday's pickup will be on Wednesday, Wednesday's pickup will be on Thursday, Thursday's pickup will be on Friday, and Friday's pickup will be on Saturday.

## PAY WATER/SEWER/TRASH BILLS ELECTRONICALLY

For your convenience the City is now accepting automatic payments (EFT) for water/sewer/trash bills. For additional information, please visit the City's website at [www.eureka.mo.us](http://www.eureka.mo.us) (link at bottom of home page) or contact City Hall at 636-938-5233.

## ILLEGAL DUMPING

It is illegal to dump yard waste such as stumps, limbs, grass, leaves and bush and flower clippings into ditches or creeks as they often cause drainage problems at a later date. When rain events occur, the City has experienced major issues caused by the overabundance of such debris being washed into our storm sewers and drainage ditches causing flooding and damage to residences. It has been brought to our attention that pet waste is being dumped into the storm sewer which is also illegal. Pet waste should be bagged and disposed of with household trash. We encourage anyone who witnesses this type of activity to report such to City Hall, anonymously if you so choose, so that we may take the appropriate action against the individuals who are engaged in this activity to help prevent these situations from occurring in the future.

## TRASH COLLECTION REMINDERS

As the summer months are approaching, lawn sprinklers will soon be turned on. Please be mindful of the fact that if you place your paper yard waste bags near an area that is sprinkled they may fall apart, leaving debris in your yard and the street when the trash hauler attempts to transport them to the truck. To avoid this type of situation, please place paper yard waste bags in an area not affected by the sprinkler. If you feel you have an excessive amount of bulky trash to be picked up which might require more than one person to load the items onto the truck, please call Progressive Waste Solutions at 636-321-2100 so they can evaluate the situation prior to the regularly scheduled pickup and remove the articles in a timely fashion.

## TRASH RECEPTACLE STORAGE

As stated in the Eureka Municipal Code, all items are to be placed at the curb between the hours of 6:00 p.m. the day prior to collection and 6:30 a.m. the day of pick up. Empty trash containers must be removed from the curb no later than 8:00 p.m. the day of collection. If your containers are stored outdoors, they must be stored in the rear or side yard, and placed or screened so as to not be visible from the street fronting the principal structure.

## EXTERIOR APPEARANCE PROGRAM

As a reminder, before any property can be sold, an inspection must be performed by the Building Department to determine if there are any deteriorated conditions that need to be addressed prior to closing. An option is available for the buyer to accept responsibility for any issues that are identified. For additional information, please contact the Building Department at 636-938-5233.

## WATER METERS

The Public Works Department has noticed that water meters are being covered up when yard work is being performed. Please be aware that when meters are not visible it makes it very difficult for the department to locate and read them.

## BOARD OF ALDERMEN ACTION

Adopted the following by Ordinance:

- Rezoning 13.57 acres from R-1 and 1-A Single-family Residential to R-1 CUP Single-family Residential (Steeple Hill Estates Subdivision).
