## HOLIDAY SCHEDULE

City offices will be closed on Monday, July 5th in observance of Independence Day (trash, yard waste and recycling services will not be affected).

## ANNUAL WATER QUALITY REPORT

The current Water Quality Report is available at the Missouri Department of Natural Resources ([www.dnr.mo.gov/ccr/MO6010258.pdf](http://www.dnr.mo.gov/ccr/MO6010258.pdf)). The report is also posted at City Hall and on our website at [www.eureka.mo.us](http://www.eureka.mo.us) (via a link on the Public Works Department webpage). As you will note, there were no drinking water regulation violations last year. If you require a printed copy of the report, please call City Hall.

## JULY FOURTH CELEBRATION

The City of Eureka is proud to be sponsoring a July Fourth Celebration in Lions Park dedicated to military veterans throughout our community complete with one memorable fireworks display. Plan on joining us for this fun and convenient way to celebrate America's birthday in your hometown. Fireworks display will begin at 9:30 p.m. On-site parking will not be available. There will be no concessions this year so you are welcome to bring your own cooler. No glass bottles or animals (other than service animals) are permitted. For additional information, contact the Parks and Recreation Department at [parks@eureka.mo.us](mailto:parks@eureka.mo.us) or 938-6775.

## VEHICLE PARKING NEAR MAILBOXES

Please be mindful that it is illegal to park any vehicle within ten (10) feet of either side of a mailbox within the City, except on Sundays and holidays when there is no mail delivery. You are at risk of being ticketed and your mail not being delivered if the postal carrier is unable to access the mailbox from their vehicle.

## RECYCLING CART REMINDER

Recycling carts are not to be used for household trash and/or yard waste. As the City received grants to purchase these carts, it is a requirement that they be used only for recycling. Additionally, the driver of the recycle truck may inadvertently empty the contents into his truck contaminating the recyclables, as the drivers do not inspect the contents of the recycling carts. Please make sure the recycling carts are used solely for the disposal of recyclable items.

## NEIGHBORHOOD WATCH

With summertime upon us and those of you leaving on vacation, it is always a good idea to inform your neighbors of your schedule and give your home that "lived in" look by utilizing timers to turn stereos, radios and lights in different rooms on and off at various times. Also, call the Police Department to request a vacation watch. For additional information, contact the Police Department at 938-6600.

## BOARD OF ALDERMEN ACTION

Adopted the following by Ordinance:

- Authorizing Entering into a Contract for Government Center Architectural Services
- Approving The Arbors of Rockwood Plat 6
- Authorizing Entering into Fourth of July Fireworks Display Agreement
- Authorizing Entering into a Contract for Construction Material Testing and Inspection Services

## FIREWORKS

Just a reminder, it is illegal for businesses to sell and individuals to possess or discharge fireworks within the City limits.

## DOOR-TO-DOOR SOLICITATION

Door-to-door solicitation, including distribution of printed material is prohibited with the exception of Eureka based not-for-profit organizations. Occasionally, we are notified that a sales scam has occurred in the St. Louis area. Even if a person has a compelling story to tell, do not give money to someone you do not know or let strangers into your home for any reason or be pressured into buying products you do not need. If you have a problem or questions concerning residential or business solicitation, contact the Police Department at 938-6600.

## CALL BEFORE YOU DIG!

Just a reminder that whenever you are considering any project that involves digging on your property, it is required by State law that prior to the disturbance of land - for any reason whatsoever - you must contact Dig-Rite at 1-800-DIG-RITE or the Nationwide telephone number 811 (calls are handled the same way at both numbers). There is no charge for this service. This action will help prevent damage to existing utilities and ensure your own safety while digging.

## SINGLE STREAM RECYCLING PROGRAM

As a reminder please note that due to changes in the single stream recycling program only the following items can be included in your recycling cart or bin:

**All containers  
need to be rinsed  
and free from  
food and liquids  
(including water)**
