SENIOR CITIZEN ORGANIZATIONS AND SERVICES

County Older Residents Program (C.O.R.P.)

The County Older Residents Program (C.O.R.P.) is a free membership program for St. Louis County residents sixty (60) years of age or older. The goal of C.O.R.P. is to help seniors maintain an independent lifestyle by offering a variety of services. You may reach the St. Louis County C.O.R.P. office by calling 314-615-4516 between the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday. Some services offered include transportation to doctor appointments and shopping or a C.O.R.P. volunteer will do shopping for those who are unable.

COMMITTEES AND COMMISSIONS

Board of Aldermen: A Board comprised of six (6) officials (two (2) Aldermen from each Ward) elected for two (2) year terms by registered voters of the City. Responsibilities include making final determinations based on recommendations by the Planning and Zoning Commission, Park Board, TIF Commission and IDA Board. The Mayor shall have a seat on and preside over the Board of Aldermen, but shall not vote on any matter except in the case of a tie. The Mayor is elected for a four (4) year term by the registered voters of the City. Board of Aldermen meetings are held at City Hall at 7:00 p.m. on the first and third Tuesday of each month.

Board of Adjustment: A Board comprised of five (5) members and three (3) alternates appointed for five (5) year terms by the Mayor with the consent of the Board of Aldermen. Responsibilities include hearing and deciding appeals of the Building Commissioner's rulings on zoning regulations. Board of Adjustment meetings are held at City Hall at 7:00 p.m. based on receipt of applications.

Planning and Zoning Commission: A Commission comprised of nine (9) members appointed for four (4) year terms by the Mayor with the consent of the Board of Aldermen. Responsibilities include studying subdivisions of land, future development of the City and recommending to the Board of Aldermen the boundaries of the various zoning districts and the appropriate regulations and restrictions that should be contained in the zoning code or any matters concerning major improvements or developments of the physical aspects of the City. The Planning and Zoning Commission also conducts public hearings for zoning changes, special use permits, flood plain variances and site plans for development. Planning and Zoning Commission meetings are held at City Hall at 7:00 p.m. on Wednesday of the week following Board of Aldermen meetings.

Tax Increment Financing Commission (TIF): A Commission comprised of twelve (12) members appointed for four (4) year terms, consisting of five (5) residents recommended by the Mayor with the consent of the Board of Aldermen, one (1) Aldermanic representative, two (2) Rockwood School District members, three (3) St. Louis County Representatives and one (1) member representing all other taxing jurisdictions. Created in 1988 to plan for and promote economic development in Eureka, and review and recommend to the Board of Aldermen projects using Tax Increment Financing (TIF) to fund public improvements. TIF Commission meetings are held based on receipt of requests.

ORDINANCES OF SPECIAL INTEREST

Animal Control Rules and Regulations: It shall be unlawful for any person owning, controlling, possessing or having the management or care, in whole or in part, of any dog and/or cat, to permit them to go off the premises of the owner or keeper, unless they are securely tied or led by a line or leash of a length of no more than six (6) feet. All dogs and cats four (4) months or older shall be vaccinated against rabies, and wear a current rabies registration and vaccination tag issued by the Health Department of St. Louis County. All female dogs must be kept securely confined in an enclosed place while in heat. For pet registration, vaccinations, animal bites, and stray dogs and cats, phone St. Louis County Animal Control at 314-615-0650.

Weeds: All grass or vegetation which has attained a height of twelve (12) inches or more, growing or existing upon land within the City, with the exception of land used for farming or gardening purposes at the time of such growth, are declared a public nuisance and prohibited. The City issues weed violation notices, which, if not corrected within ten (10) days, are sent to Municipal Court. To report any weed violations you observe, you may call the Weed Hotline at 636-938-5233 (Ext. 120).

Discharge of Firearms: Discharge of any firearm or bow is prohibited in the City of Eureka except by special permit. Archery ranges are located in Lone Elk Park and Jefferson Barracks Park in St. Louis County and are free to the public.

Address Numbers: Four (4) inch or larger address numbers shall be placed on all commercial and residential structures. On commercial structures numbers should be placed on the front door of the building and the back door of the building. On residential structures the numbers shall be placed on the front of the residence or on the ground surrounding the residence.

Overnight Parking of All Boats and Trailers on Street: No person shall park a boat or trailer overnight upon any roadway or street or between the building set back lines and the street unless said boat or trailer is parked on a driveway. Trucks over eighteen thousand (18,000) pounds are prohibited in residential areas.

Derelict and Abandoned Vehicles: No person shall leave any abandoned or derelict vehicle on public or private property within the City or on any street or highway in the City. A derelict vehicle is defined as any partially dismantled, non-operating, wrecked or junked motor vehicle or trailer of any type, situated on property or upon any street or highway which does not display a permanent license plate or set of plates issued for that vehicle indicating current registration.

Solicitation: No person shall go upon land upon which is situated a private residence for the purpose of soliciting orders for the sale of goods, wares and merchandise, or for the purpose of disposing of or peddling or hawking the same, without having first been requested or invited to do so by the owner or occupant of the private residence.

Signs: Permits are required for all new and replacement signs.

Fences: Information concerning the requirements and restrictions on fences in residential areas may be obtained by contacting the Building Commissioner.

CITY WATER INFORMATION

In August, 2022 the City sold the water system to Missouri-American Water. While at this time water is still sourced from deep aquifer wells, Missouri-American Water is in the process of constructing a main trunk line to their system which is anticipated to take approximately 18 months. For additional information, you may contact Missouri-American Water, Monday-Friday, 7:00 a.m. - 7:00 p.m. at 1-866-430-0820 or visit www.amwater.com

ANNUAL BACKFLOW PREVENTION DEVICE INSPECTIONS

As hopefully you are aware, anyone with a backflow prevention device is required by State law to have an annual inspection performed by a certified backflow prevention device inspector. The most common residential use of such a device is in conjunction with a lawn sprinkler system and/or swimming pool. St. Louis County is the permitting and inspection authority for the installation of backflow prevention devices. If you have a sprinkler system and/or swimming pool and are not having these annual inspections performed, please contact the St. Louis County Public Works Department at 314-615-2559.

WATER PRESSURE REGULATORS

It is recommended that a periodic inspection and testing be performed for those of you who have water pressure regulators installed in your home to help ensure that they remain in good working order.

SANITARY SEWER INFORMATION

Missouri-American Water is the purveyor of our sanitary sewer system. As a reminder, please dispose of grease properly and avoid pouring it down the drain as it hardens over time and becomes lodged in the line causing backups and problems. You may dispose of used grease by pouring it into a metal can with a plastic lid. Vegetable shortening cans will not work since they are foil lined and cannot withstand the heat. Once it has cooled and solidified it can be disposed of in the trash can. Oils that do not solidify can be saved and reused as long as they are strained, refrigerated and used within a few weeks. Small amounts of oil can be used to lubricate squeaky hinges, wheelbarrow and wagon wheels, pruners, loppers and garden scissors. It can also be applied to garden shovels and spades to prevent them from rusting. A thin coating can be applied to a snow shovel to prevent the snow from sticking. If these options won't work for you, to help solidify this type of kitchen oil try mixing it with bark chips, kitty litter or sand and then disposing of it with your normal household waste. If you have any questions, you may contact Missouri-American Water, Monday-Friday, 7:00 a.m. - 7:00 p.m. at 1-866-430-0820 or visit www.amwater.com

WATER LINE AND SANITARY SEWER EMERGENCIES

If you incur a water line leak or sewer backup emergency, contact Missouri-American Water 24/7 at 1-866-430-0820.

BUILDING DEPARTMENT INFORMATION

Please be aware that permits may be needed for any additional improvements or accessories you may want such as swimming pools, fences, storage sheds, decks, satellite dishes, etc. This affords us the opportunity to ensure quality of property and safety of residence. Additional information can be obtained by calling 938-5233.

CIVIL DEFENSE WARNING SYSTEM

The Civil Defense Warning System was developed to provide a means of warning federal, military, state and local officials and the civilian population of attack, disasters, or hazardous conditions.

There are three tones which may be sounded:

1. Wailing: This is the attack tone which indicates the Country has been attacked; take protective action immediately.
2. Steady: This is a tornado warning which indicates a tornado has been spotted.
3. High/Low: This indicates an emergency message and/or announcement.

The emergency warning system is also capable of functioning as a public address system. The sirens will be activated by St. Louis County at 11:00 a.m. on the first Monday of each month. The siren tones will vary from month to month. In the event of severe weather near the time of the scheduled test, the test will be canceled for that month. For more information contact the Eureka Police Department at 938-6600.

CodeRED EMERGENCY NOTIFICATION SYSTEM

The CodeRED emergency notification system is a communication service available for emergency notifications such as a missing child, evacuation, bomb threat, hostage situation, natural disaster, terrorism threat, chemical spill or other emergency incidents where rapid and accurate notification is essential for safety, plus severe weather alerts if you so choose. CodeRED can reach Eureka residents by residential phone, business phone or cell phone. The system will make three attempts to contact citizens and will leave messages in voicemail and on answering machines. The system can also send e-mails and text messages if desired.

To ensure that your information is entered into the CodeRED system, visit the City's website at www.eureka.mo.us and sign up for the notifications.

TRASH COLLECTION AND RECYCLING INFORMATION

The City of Eureka contracts with Meridian Waste for collection of yard waste, household trash, bulky waste, major appliances and recyclables. The schedules and procedures are described below:

PICK-UP SCHEDULE

Yard waste, recyclables and household trash are picked up on the same day with the City being divided into five (5) service days (refer to the City's website for your service day). All items are to be placed at the curbside between the hours of 6:00 p.m. the day prior to collection and empty trash containers must be removed from the curb no later than 8:00 p.m. the day of collection.

Bulky waste and White Goods which include major appliances such as water heaters, washers, dryers, etc. must be scheduled in advance. An appointment must be made with Meridian Waste to be picked-up. Please call 314-291-3131 ext. 4002 to schedule a pick-up.

Holiday schedules are as follows:

When a holiday falls during the week, your pick-up service will fall one (1) day later from the day of the holiday, for that week. For example: If a holiday falls on a Wednesday, service provided on Monday and Tuesday would be unchanged. However, those areas that are normally serviced on Wednesday would have their items picked up on Thursday, with each subsequent service day having their trash picked up a day later.

Holidays observed are: January 1st (New Year's Day), Memorial Day, July 4th (Independence Day), Labor Day, Thanksgiving Day and December 25th (Christmas Day).

MISSED STOPS

If for any reason trash is not at the curb by 6:30 a.m. on your scheduled pick-up day, it may be missed until the next scheduled pick-up day. If a driver determines that a stop is not out they will record the time of arrival and note that for the record.

Missed stops called in by 12:00 p.m. on the day of pick-up, that are determined missed, will be picked up on the same day. Please report any missed stops to Meridian Waste at 314-291-3131 ext. 4002.

TRASH REMOVAL GUIDELINES

Containers: Residential solid waste shall be stored in Meridian Waste containers of ninety-five (95), sixty-five (65) or thirty-five (35) gallons. Recyclables shall be stored in Meridian Waste recycling containers of sixty-five (65) or thirty-five (35) gallons.

Household Trash: Includes any item generated from normal household operation (this does not include material from demolition, remodeling or construction). All materials must be securely bagged and placed inside the cart and the cart lid must fully close. Only contents within the trash cart will be collected and the weight of the cart shall not exceed sixty (60) pounds. Please Note: Materials left outside the trash cart will not be collected.

Bulky Waste: Includes furniture, small appliances, rugs, mattresses, etc., but excludes tires and car parts. There is a limit of two (2) bulky waste items per week to be placed at the curbside for pick-up on your regular service day. Individual items of bulky waste must be safe for two (2)

people to lift and must be scheduled in advance by calling Meridian Waste at 314-291-3131 ext. 4002.

White Goods/Appliances: Includes water heaters, washer, dryers, etc. There is a limit of one (1) white good item or appliance per month. Any material that is not properly contained, bundled, packaged, or is too large/heavy for two (2) people to lift and move will not be collected. An appointment must be made in advance with Meridian Waste to have a white good item or appliance picked-up. Please call 314-291-3131 ext. 4002 to schedule a pick-up.

Yard Waste: Includes grass, leaves, flowers, plants, tree trimmings, and brush. Yard waste must be placed in one (1) cart and/or paper bags. Plastic bags are not accepted. An official decal obtained from Meridian Waste must be affixed to carts that are used for yard waste storage to clearly identify it contains yard waste. Tree trimmings and brush must be tied in bundles no more than four (4) feet in length and six (6) inches in diameter. No bundle can be more than eighteen (18) inches in diameter and shall not exceed sixty (60) pounds. Yard waste is limited to a combined total of twenty (20) lawn/leaf bags or yard waste bundles as well as the contents of one (1) cart (lid must fully close).

Recyclables: Place your unbagged recyclable materials in your wheeled recycling cart. Plastic bags are no longer an accepted recyclable material. On your pick-up day, place your recycling cart at the curb. Cardboard boxes should be broken down and placed in the recycling cart. Only contents contained in one (1) recycling cart will be collected. No items left outside the cart will be picked-up.

Please Note: To avoid recycling stream contamination, plastic bags and plastic films (cling wrap and plastic seals and sheets in packaging) are not accepted. For additional information, refer to the recycling chart on pages 16-17.

WHAT ELSE CAN I DO TO MAKE A DIFFERENCE?

Remove your name from junk mailing lists by writing to the Direct Marketing Association, PO Box 643, Carmel, NY 10512; or go to www.newdream.org

Try to change your buying habits by NOT purchasing disposable (e.g. - paper plates, plastic forks) and over-packaged products.

To obtain information about recyclable and hazardous waste materials that the City's trash hauler cannot pick up, you may wish to visit the St. Louis County website at www.hhwstl.com or call 314-615-8989.

MERIDIAN WASTE TOTER LEASE INFORMATION

You have the option of renting ninety-five (95), sixty-five (65) and thirty-five (35) gallon "toters" (trash containers) from Meridian Waste. The current trash container lease cost is \$5.00 per cart per month (billed at \$15.00 per quarter), payable in advance for each three (3) month lease period. You will be billed directly by the trash company. Please Note: A \$15.00 delivery fee per cart will apply. The number to call to commence the lease agreement process is 314-291-3131 ext. 4002.

SERVICE DAYS - Please refer to the Service Map located at the bottom of the City's Trash and Recycling page under Helpful Links.

HISTORY OF EUREKA

The Eureka area's first known inhabitants were Shawnee Indians on the banks of the Meramec, and even today artifacts can be found as evidence of their past occupation of the area.

The Missouri Pacific Railroad was opened to Franklin (now Pacific) on July 19, 1853. It is said that as the builders of the railroad track came around the bend on the east side of the present site of Eureka and looked westward at the level land with no rocks and very little dirt to move they cried out, "Eureka!", which translated from Greek means "I've found it!" That is how Eureka got its name.

Eureka was laid out as a village in 1858 by Strodt and Shands of St. Louis. Some of the early families in Eureka were Lorenzo Votaw, Thomas Thomas, George Hornecker, Edward William Johnston, Major Beale (his son Dr. J.B.H. Beale) and James and Peter M. Brown.

In 1890, Eureka was a prosperous village of about one hundred (100) homes in the immediate area surrounded by fine fruit and agricultural land. The country roads to Crescent, Big River, Antire, Bald Hill, Glencoe, Allenton and Clifty Creek all centered here, and Eureka had to its credit at this time a Catholic Chapel, Methodist Church, Post Office, Freemasons' Hall, three (3) stores, a district school, two (2) blacksmiths, a wagon maker, a saloon and a fresh air camp for poor and orphaned city children. In 1900, the Children's Industrial Farm began operating and later became Camp Wyman. Camp Wyman is still operating camp programs for underprivileged children.

The first high school class was held in 1909 in Eureka. Eureka-based schools over the years have provided education to children from many areas including Fenton, Creve Coeur, Manchester, House Springs, Cedar Hill, Allenton, Eureka, Glencoe and others. Today, the City of Eureka is served by the award winning Rockwood School District.

Over the years, a number of disasters have hit Eureka including floods, tornados and a number of major fires. Such disasters led to the formation of the Eureka Volunteer Fire Department in about 1945, when they constructed a firehouse and acquired equipment. In 1970, the Eureka Fire Protection District was formed and now serves a seventy-nine (79) square mile area. In 1972, the first ambulance was acquired by the District to serve the area, which was made possible by citizen and community organizational efforts.

In 1954, the City of Eureka was incorporated as a 4th class city with a land area of approximately 2.7 square miles. Over the years, the City has had numerous successful annexations and today consists of approximately 10.45 square miles. The population of the City has grown: 817 in 1950; 1,134 in 1960; 2,384 in 1970; 3,862 in 1980; 4,683 in 1990, 7,676 in 2000 and 10,187 in 2010. The City of Eureka annual budget has grown from approximately \$3,400.00 in 1954 to over \$4,000,000.00 today.

In 1970, the Six Flags - St. Louis was constructed, which is a major tourist attraction in the midwest. An average of two million (2,000,000) people visit Six Flags annually. The presence of Six Flags Amusement Park has influenced and spurred growth in the Eureka area.

EUREKA FIRE PROTECTION DISTRICT

The Eureka Volunteer Fire Department was formed in 1942 after a major fire. The first engine house was constructed in 1943 at 131 South Central.

Due to the growth of the area, the Fire District was formed in 1970.

George H. Manetzke, Jr. was hired as the first full-time Fire Chief on January 1, 1971. He was killed in the line of duty on November 11th of that same year.

In 1972, the first ambulance was acquired and an addition was built on the original engine house, more than doubling its size.

Three (3) men were hired to become the first full-time paid firefighters in 1974, each working a twenty-four (24) hour shift. In 1975, a second basic life-support ambulance was acquired.

In 1981, a new building was completed at 134 South Virginia, providing additional office and training space as well as four (4) additional apparatus bays.

On January 1, 1984, the emergency medical service was improved by updating the first ambulance with advanced life-support equipment and three (3) paramedics.

In 1985, a bond issue was approved by our citizens. The benefit of the bond issue began to be seen in 1986 and 1987 when the new 1986 Pumper, 1986 Tanker/Pumper and 1987 Ford Ambulance were purchased and Station #2 at 1815 West Fifth Street was completed and occupied.

On November 6, 1988, the new Administration Office and Fire Station #1, located at 4849 Highway 109, was completed and dedicated, replacing the South Central and South Virginia locations.

On June 5, 1998, Station #3 on Highway W in Hoene Springs was opened, and is being manned by a reserve staff.

Currently, the staff consists of a Fire Chief, Assistant Chief, Fire Marshal, Deputy Chief, part-time Inspector, Office Manager, Administrative Assistant, Community Service Supervisor, Bookkeeper, nine (9) 24-hour Shift Officers and eighteen (18) 24-hour Firefighter Paramedics providing full-time Fire protection and Ambulance service.

The functions of the Fire District are many and diverse. In addition to fighting fires and handling emergency medical responses, the Fire Marshal's office is busy with commercial and residential building permits and inspections.

The Eureka Fire District involves itself with community education including fire prevention, emergency medical services and disaster preparedness programs. CPR Classes, open to the public, are conducted monthly and tours of the engine house are welcome.

The Administrative Office, located at 4849 Highway 109, is open from 8:00 a.m. to 4:30 p.m. weekdays. The business number is 636-938-5505. The Emergency Number is 9-1-1.
